

Received 30th of July 2000, at night at Midnight.

When... do you listen to Me !!
My foolish and greedy children...
The chaos is big.

**The people lost...
In big masses...
they... follow behind Satan...**

Oh how sad is all of this !!!
To see all those people...
Wander in the darkness...
In Despair and Sadness...

**Their hearts... closed for the
Truth...
And... the Word
Which is being addressed to them !**

The darkness - will be - terrifying...
Many... will fall.
And too late go... and... discover...
the road to the Father.

**Do... be... Vigilant !!!
Open... the... eyes... do see !
Everything which is happening around you...
All of This has to occur...**

To... complete the Purification.
many people will suffer...
If they keep their - hearts closed !!
For the... Words of the Father...

Open the Eyes !!!
See... the Truth...
Which would be granted...
to you still now as a Mercy of God...
Out of love to the people...

**Come... My... Children...
The... Father... calls... You...**

My tears have become of-Blood
For the grief
Which happens here

Convert Yourself...

Now the time is still given !!
Because of the Love of the Father...
The Justice... Stands in front of the door...

Be ready !!!
For this... Big... Event...
God the Father on the Throne
And will declare...
His Judgment...

“APPEAL TO CONVERSION”

“I.. SEARCH.. FOR.. YOU.. I NEED YOU”

Many... many will die
Of fright because of their own Sinfulness
Which God... shows... to everyone...
Personally...

Be ready... for this time
Do - penance... Speak full of repentance !
About Your Sins committed...

**To the... Priests...
in the Holy Confession
The Sacrament of Reconciliation
Please... listen to My... Voice**

Save Yourself from a Hellish Death...
Which God... would not wish for you!
He who loves all of those people...
so much !

But so many do not listen
To Him !!!
The... Father... in Heaven

**The Justice stands in front of
the Door...**

That He will be on His Throne !!
High above all of the people
With Our - Mother - next to Her...
Beloved... Son

**The Triumph will Prevail...
To love Her children.
In Joy and Happiness...**

Who - had remained Steadfast...
And kept... on... climbing... the paths
of God - the - Father
With all of its uneven-nesses

Higher and higher you come then...
On the place in front of the Father
Entrusted to them

**Come... I... the Father,
love everyone...**

Experience the Sacraments !!!
Experience the Sacrament of
the Confession and Reconciliation...

Then God will... be able to work inside you
As an instrument for His Divine plan...

**All of you I Bless from...
... My... Divine - Heart
The - Father - in Heaven.**

“Amen” Hille Kok
